

Cable Services supports UK Power Networks to raise money for cancer charities

The Cable Services Group were pleased to support such worthy charities chosen by UK Power Networks, by committing to sponsor the 18th hole at the Stoke by Nayland Golf Club in Essex.

The annual golf and fishing event organized by UK Power Networks staff has raised more than £7,000 for two cancer charities.

More than 100 competitors took to the greens and fishing lake at the club on Friday, July 8th, to raise funds for prostate cancer charity Men United and Breast Cancer UK.

The eighth annual event was attended by more than 140 staff from UK Power Networks – which delivers electricity to the East of England, London and the South East – contractors, together with their family and friends.
