

WAREHOUSE OPERATIVE/DRIVER

We are recruiting for the above position at our new Head Office on Wrexham Industrial Estate. You will assist in the organisation and performance of the warehouse. You must be a good team worker and be able to work quickly and efficiently. You will be expected to undertake the following aspects of the warehouse process: checking and storing products as they arrive, signing delivery notes, picking and packing orders, moving products around the warehouse by hand or with the aid of lifting gear (relevant FLT licences required), stock-keeping, checking of products and maintaining records using an ERP system.

There will be a driving element to the job, so a full driving licence is essential.

Please apply detailing your experience and enclosing a CV to:

Warren Hughes
Warehouse and Distribution Manager
